CERTIFICATION SCHEDULE

IQ Certification is offered annually from July 1st to June 30th of the following year. For companies joining throughout the certification cycle, a pro-rated credit (of their annual certification fee) is applied towards their recertification in the following year.

Companies applying for certification should submit payment in full based on the Initial Certification chart above.

- For companies applying for certification from **July through September** they will receive (upon acceptance) certification for the current cycle.
- For companies applying for certification from **October through December** they will receive (upon acceptance) certification for the remainder of the current cycle, plus a 50% credit of their annual certification fee towards the next certification cycle.
- For companies applying for certification from **January through March** they will receive (upon acceptance) certification for the remainder of the current cycle, plus a 75% credit of their annual certification fee towards the next certification cycle.
- For companies applying for certification from **April through June** they will receive (upon acceptance) certification for the remainder of the current cycle, plus certification for the next certification cycle.

Credit eligibility (if applicable) is based on the date when the IQ Application is received at the IQ Offices.

Questions should be directed to the IQ Office at 866-833-8302 or 814-833-8306 or to Info@IQCertification.org.
